✈ ARRIVAL AND DEPARTURE TIMES ✈

Parents are responsible for their child's flight plans, and should book tickets early to ensure space is available on the flight of your choice and to get the best airfare available.

ARRIVAL FLIGHTS – Please plan for your camper to arrive in Toronto one day prior to the start of the camp session (arrive Sunday).

RETURN FLIGHTS - Do not book return flights from Toronto leaving before 7:30pm (19:30) on closing Sundays as transfer to Toronto airport and check-in **cannot** be completed properly before that time. If necessary, book a flight the next day (Monday) and take our optional additional night's accommodation.

Unaccompanied Minor (UM) - All campers under the age of 12 or those requesting UM status on the flight from Toronto must notify the C.A.C office.

International campers (inc. U.S.) must have a passport physically at camp in case of emergency medical return. Campers with electronic tickets must supply a photo copy of the confirmation/receipt to the camp office.

Please return to us your flight details using the Green Travel Planner and a copy of your camper(s) itinerary as soon as possible!!
