New Adventures

Our New Adventures one week program is an ideal way to introduce your child to the excitement of **Canadian Adventure Camp**.

A child's first experience at camp should be warm, welcoming and full of fun. This special one-week session will ensure the foundation for successful camp experiences for many years to come. Our mature, caring counsellors, create a well-rounded, jam-packed camp adventure. Campers participate in a wide variety of camp activities same as they would for a longer traditional camp stay. Through encouragement and cabin group support, our New Adventures campers accomplish many "firsts".

At the end of their stay on **Adventure Island**, your child will arrive home full of exciting stories to tell of their first experience at camp. Campers may only use this program once.
