Fall 2008, Volume 28, Issue 1

## **FROM THE EXECUTIVE TOWER...**

Welcome everyone to the first issue of Volume 28 of the Adventure Island News!!

The office is in full swing back at Canadian Adventure Camp World Headquarters in Thornhill and we are hard at work processing mounds of applications for our 35<sup>th</sup> Great Season of 2009!!

Adventure Island is sleeping now after a fabulous summer of activities and new facilities. Our stunning new Gymnastics, Trampoline and General Activity Centre was finished right on time and ready for the first campers who arrived on June 23<sup>rd</sup> to shouts of "WOW" when they saw it! It really is an incredible sight and was well worth the several years of planning and the courage to make the huge change. Our suppliers did us proud and our builders worked through much of the winter to get the job done on time. From a muddy bog hole in November to the nicely finished landscaped product, everything went as planned without destroying the natural setting.
